

Introducing the FIT & 4GET Kit Promotion

## Buy a SOGEVAC® FP Rotary Vane Pump

Configured specifically for food processing and packaging applications

With NEW  
Universal  
Inlet  
Flanges

## Get 4 Years of Consumables FREE

Leybold Vacuum is giving you enough consumables\* to run your new SOGEVAC® FP pump hassle-free for 4 years.

**YES, that's 4 FREE years of:**

- Mist filters
- Oil
- Oil filters
- Remembering to place consumable orders

## SOGEVAC® FP Range of Rotary Vane Pumps

Features NEW Universal Inlet Flanges that retrofits easily to existing equipment

- Based on proven SOGEVAC® technology with manual gas ballast
- Complete pumping range from 10 m<sup>3</sup>/h to 300 m<sup>3</sup>/h
- Low operation temperature increases oil lifetime
- Compact design, high pumping speed to footprint ratio
- No motor coupling
- Most efficient oil mist filtration
- No oil leaks due to integrated oil return line
- Constant and lowest noise level on the market at any working pressure
- Lowest cost of ownership

The new universal inlet flange offers required bolt and O-ring arrangement for both standard thread connection and field retrofit.

## Fresh Vacuum Solutions Served Up Daily

Depend on **Leybold Vacuum** for reliable vacuum technology for your food processing and packaging applications. For more information about SOGEVAC® FP range of rotary vane pumps and the

**FIT & 4GET Kit** promotion, contact Adrian at **800-959-5517**

# Scope of Supply and Ordering Information

	Description	Pumping Speed	QTY	System Pin Number
SV10FP Fit & Forget Kit	SV10 FP, 3ph wide-range	7.7 cfm	1	T960100FP
	Mist Filter		3	
	LVO 120, 1 liter		4
